**FINAL CALL FOR
ORAL & POSTER PRESENTATIONS!
EXTENDED DEADLINE FOR SUBMISSION**

The Asian Regional Association for Home Economics (ARAHE), through the Philippine Congress Committee, invites its members and conference participants to submit papers for Oral and Poster Presentations.

We welcome recent research outputs that promote the development of the home economics discipline. We especially consider presentations that embody the 2025 ARAHE Congress Theme: **EMPOWERING FUTURE GENERATIONS: HOME ECONOMICS IN THE AGE OF ADVANCED TECHNOLOGY** and the sub-themes.

SUBTHEMES:

Smart Homes, Smart Families
Studies on the use of advanced technology from smart kitchen appliances to digital tools such as budgeting and financial apps, AI-assisted wardrobe planning, interior decoration, or nutrition intervention plans among others

Digital Literacy in Home Economics Curriculum
Integrating technology in HE education that can revolutionize the learning experience from interactive and immersive tools like virtual reality simulations to data analytics for tailoring instruction or research to meet individual student needs

Sustainability and Green Consumption
Programs, policies, or systems that promote sustainability practices like monitoring or reducing energy consumption, minimizing food waste, managing e-wastes or fostering a generation of eco-citizens

Culture, Values, and Societal Challenges
Understanding and addressing modern-day societal challenges such as cybersecurity and data privacy that affects a culture, the family life and the dynamics between spouses, parents and children, among siblings, and within one's micro and macrosystems

INVITATION TO WEBINAR ON MEAL MANAGEMENT IN SCHOOL CAFETERIA
In celebration of the National Nutrition Month 2025, Philippine Association for Technology in Home Economics of State Colleges and Universities, Incorporated (PATHESCU, Inc.) in partnership with Cagayan State University, will be holding a webinar entitled "Meal Management in School Cafeteria" on July 26, 2025 from 8:00AM to 12:00 noon via Zoom. The theme for this year's celebration is "Food at Nutrition Security, Maging Priority! Sapat na Pagkain, Karapatan Natin!"

The timely webinar aims to empower participants with essential skills to create nutritious, affordable and safe meals for students within school settings. The session will cover key topics such as basic nutrition, food purchasing, costing, safety and meal planning, all designed to strengthen nutrition and food security efforts in schools. We believe this initiative aligns perfectly the Department of Education's commitment to student well-being and academic success.

Enjoining public school teachers and school health personnel to attend. Their participation would significantly contribute to the professional development and timely benefit the health and nutrition of our students.
